Dear Bluegrass Christian Academy Families,

This is to inform you that due to widespread illnesses among the BCA community, we have decided to cancel school on:

Monday, January 30th, 2023

Tuesday, January 31st, 2023

This virus spread like wildfire Friday. I pray that everyone who has been affected is recovering well, but we are not out of the woods yet. Students and staff have continued to get sick over the weekend.

Upon recommendation we received today from a local pediatrician, we will return to school **Wednesday at the earliest**. This is a highly contagious virus with an incubation period of 48 hours. He said that we need to clean, clean, clean and so we will. I ask that you exercise diligence at home in cleaning your child's backpack, lunchbox, water bottle, etc. Thank you!

It is our plan to return to school by this Wednesday, February 1st. However, we ask that you **let a staff member know if your student becomes sick between now and then**.

Your child's teacher will communicate any necessary work. But our primary intentions for this time off are for sick students and staff to rest and recover, for cleaning to take place, and for necessary time to pass. We will make up what we need to when we return.

Don't hesitate to reach out if you have any questions. Stay well!
Andrea Hutchins, Interim Head of School
